

Contest of Fools 2023 – Rulings

Lumineth Realmlords – Scinari Loreseeker – Lone Agent

Do you count as 10 models always for THAT objective even if you move off it, then back on to it?

Yes

Do other setup rules (eg, Tunnel Master, Lauchon) activate the Lone Agent rule, specifically for counting as 10 on an objective?

No, only the original deployment before the game, can trigger the counting as 10 on an objective.

Kharadron Overlords – Battle Traits – Embarking

Can a unit embark and disembark, or disembark and embark in the same movement phase?

No, a unit can either embark or disembark in the same movement phase.

Can a unit that is charged by a model with another unit embarked, can the charged unit use the “Unleash Hell” command ability?

Yes

Kharadron Overlords – Battle Traits – Disembarking

Can a unit embark and disembark, or disembark and embark in the same movement phase?

No, a unit can either embark or disembark in the same movement phase.

Kharadron Overlords – Artefacts – Tuskhelm

If a model is embarked on a boat, and the boat completes a charge move, can that model use the Tuskhelm artefact?

No

Kharadron Overlords – Iron Sky Command Abilities - Combat Landing

Can a unit that has embarked that movement phase be affected by this command ability?

Yes, this is an exception to the above rulings.

Kharadron Overlords – Iron Sky Command Abilities - Combat Landing

Can a unit that has disembarked by being affect by this command ability still attempt a charge?

Yes

Kharadron Overlords – Brokk Grungsson – Command the Fleet

Can an embarked unit be affected by this ability?

No

Kharadron Overlords – Arkanaut Admiral – Command the Skies

Can an embarked unit be affected by this ability?

No
